FOCUS COVENANT DAY OF RESTORATION

There are things we must do for God to do what He says He will do. God is forever a covenant keeper; man is the covenant breaker. God is not a man that He should lie. You can't obey God and not see what He says you will see. Let God be true, and all men be liars. There are demands for total health (Rom. 15:4).

What you learn is what you practice, do, and profess. The Books of Genesis to Revelation are written for our learning so that we, through the comfort of scriptures, might have hope. The things written in the Holy Book of God are the demands we must believe and confess for our total health. People adhere to physical things more than spiritual things because they see the physical more than the spiritual. But the spiritual is more real than the physical. People are committed to taking drugs prescribed by doctors who learn the profession through books. But God has given us His Word - The Bible - to live by it, and we are doing as we like. We are admonished to administer the covenant prescription of health and wholeness whenever we are challenged and as a lifestyle (Pro. 4:20-22).

The day you start intentionally to believe God, your status will start to change. You must start declaring your expectations. If you don't believe God enough, you will be discribing your situation and complaining and making negative statements that are contrary to the Word of God. If you don't believe God and His Word, you will not say it, and if you don't say it enough, you can not see it (Rom. 14:23). If you are faithless, you are in sin (Heb. 11:6, Exo. 4:17). God has given us many things to frustrate the devil, but many have allowed the devil to take it from their hands.

COVENANT DAY OF RESTORATION

To be restored, you must return to Christ. This is the first step towards restoration.

There are Kingdom mysteries God has given us in this ministry that will demystify the devil and make him miserable if we care to use them. You use them every day, but your faith is not in it. One of those mysteries is:

1. The Holy Communion: Many of us take it every Wednesday and every

second Sunday of every month. Until you believe in the Holy Communion as stated in the scriptures and declare that Christ came from heaven and died because of me, that your restoration has been fought for by the Blood of Jesus and that the Communion gives you seven-fold restoration package, you will never see the resultant effect of the power in the Communion.

It is one thing to believe, another thing to apply it and make declarations over it. You must believe in your heart and declare with your mouth that you have been empowered by the Communion to live like Jesus through the mystery of the Holy Communion, a sickness-free life (Rom. 10:10, Jhn. 6:48-58, Lev. 17:11, Rev. 5:12). Knowledge is not power but applied truth. That is, power.

Restoration is in the seven-fold package. The mysteries we are expanding are to empower you to take what belongs to you that Christ has paid for by His Blood. The enemy - the devil - took it from you because you are weak. So God is using mysteries to empower you so that the enemy will not take them again.

2. The Anointing Oil: Yokes and burdens are removed by the anointing (Isa. 10:27). You must use the anointing oil as a symbol of the Holy Spirit to cover yourself. You must believe in the healing power of the oil (Mrk. 6:7; 12-13). You must believe in the presence of the Spirit of God in the Oil, which sets

free from captivity and opens prison doors. Your faith is what makes you whole (1 Sam. 16:13). You must believe in the exemption power in the anointing oil. The mystery of the anointing oil is touch - not mystery of no harm, hurt, or wrong (Psa. 105:15).

3. Feet Washing: You must believe in the mystery of Feet Washing to take your missing part in Christ. You must believe that Christ obtained for you power, wisdom, riches, strength, honour, glory, and blessing. This is the summary of restoration. Jesus came to enforce restoration of all that the enemy took from us. Jesus came to restore life in your spirit, soul, and body. You go

from strength to strength by the mystery of Feet Washing.

4. The Prophetic Mantle: It is a rod and very dangerous to the devil. You must believe in the Prophetic Mantle, as seen in Elijah and Apostle Paul (Acts 19:11-12, Rom. 11:29, Jer. 30:17). The disciples of Jesus believed in them and declared it. Wisdom is knowing the right thing from the Word and doing it. These are Kingdom mysteries for Kingdom personalities.

Thanksgiving is the springboard of restoration. Restoration starts and ends with thanksgiving.

STRIKING TESTIMONIES

DIVINE PROMOTION AND DIVINE HEALING VIA SHILOH MANTLE

I joined the Commission in 2012. Last year I got a job offer better than where I currently work. I prayed about it and was led to stay in my current job and believed God for a promotion, they told me last year that they were going to review it and get back to me. However, when I resumed this year, they told me that it would not be possible until later in the year. I was angry in my Spirit. I entered my office and reminded God that part of the blessings of paying my tithe is to flourish on the job, and a promotion was part of that flourishing. I went ahead to tell God exactly how much I wanted my salary to be increased to, even though it seemed unrealistic. As God would have it, on Thursday my boss walked into my office and presented my promotion letter with my salary increased to the exact amount I asked God for alongside other amazing

benefits. I give God all the glory for that. In addition, I thank God for the healing of my sister.

Last year, December, I was called that she had been rushed to the hospital in Lagos for a kidney infection. I rushed to Lagos with my Shiloh mantle and anointing oil and administered it on her, and I told God that my sister would not spend the New Year on a hospital bed. Miraculously, she woke up fine on the 30th and requested to be discharged while the doctors were talking about referring her to another hospital. She was discharged successfully, and she was in church for the Crossover Service, jumping and dancing. I have come to say, thank you, Jesus.

DIVINE PROMOTION

I am thanking God for my divine promotion. Last week Sunday, I heard a woman who testified about

her promotion, and I keyed into her testimony. I said to myself that I would receive my promotion; lo and behold, by Monday, which was less than 24 hours after, I received my promotion, and I have been able to clear all my outstanding debts.

I give God all the glory for His speedy answers to prayers.

HEALING AND SUPERNATURAL PROVISION

I joined the Commission in 2023. During the course of the 21 Days of Prayer and Fasting, I held on to the word in Isaiah 58:6-12 for my healing, and God healed me completely from a sprain in my hand.

I also want to thank God for divine provision. May His name be praised.

You need to be a consistent partaker of the body and blood of the Lord to keep in divine health.

STRIKING TESTIMONIES

GOD'S MIGHTY DELIVERANCE

I joined the Commission in 1999. I thank God for His mighty deliverance in my family. Last year we had the leading of the Lord to declare a praise thanksgiving fast, and God brought us into the New Year victoriously. On 2 January, God delivered my Dad from a gas explosion; his gas cooker exploded while he was using it alone in the house. The windows were shattered, and he suffered some burns, but I thank God that he is alive and well today. God also delivered my daughter from a fatal accident while we were on our way home; she jumped from a moving tricycle that was running from a police officer, and she fell on her face. I thank God for saving her life.

DIVINE TURNAROUND VIA SHILOH SACRIFICE

I joined the Commission in 2001. I trusted God for the supply of some equipment for me from China, and a woman volunteered to supply the items, but after going to China, she inflated her prices and started making things difficult. I tied it to my Shiloh sacrifice and gave God everything I had; after that, she came back and delivered the items at a fair price. God also gave me a job after my Shiloh sacrifice. I give Him all the glory. **BRO. DIVINE**

PRESERVATION OF LIFE

I joined the Commission in 2024 with my fiancé who is now my husband. I thank God for preserving my life. On New Year's Day, after the festivities, I started feeling labour signs, so my husband and I went to the hospital, but the doctors said I was not dilated enough that we should come back, and we did. The delivery took so many hours, the baby came out premature, and we were referred to other hospitals because the hospital we were at did not have an incubator. During the course of going around trying to find a hospital with an incubator, I passed out and woke up days later at FMC Jabi. Although we lost the baby, I thank God for saving my life.

PRESERVATION OF LIFE

I joined the Commission in 2023. I thank God for preserving my life. I was robbed around the Apo Roundabout; I want to thank God for making it out alive. **BRO. AMAECHI SIMON**
