UNDERSTANDING THE MINISTRY OF THE HOLY SPIRIT

PART 2

FOCUS SHOWERS OF BLESSING/COMMUNION SERVICE.

The Holy Spirit is a person. He is the Third Person in the Trinity. He is equal to God and Jesus. His purpose is to make believers' lives comfortable here on earth. He is the Spirit of Jesus Christ here with us while He is in heaven. He is the One who came to replace Jesus and we must learn to relate with Him. When we do, everything around us changes for good.

You can not operate in harmony with Him and not get to the reward on earth. This is because He will lift you from the floor to the topmost top and make room for you. Where they have rejected you before, He will make them to love you. When He is with you, His person magnifies every blessing you can ever imagine on this earth. You cannot operate with Him and still be a struggler or hustler.

The Holy Spirit is the access to all our inheritance in God. Everything you are looking for, if you are Born Again, belongs to you but it is the Holy Spirit who opens your spiritual eyes to see the reality of it. He is the One who can unveil your inheritance to you. When

He shows you things, it will spark faith in your heart and cause all the enemies to clear off.

The Holy Spirit is One with diverse manifestations (1 Cor. 12:4-7). He is also referred to as the Spirit of Grace. He is the source of all multifaceted engracement that enables believers to fulfil their glorious destiny in Christ. You must not forget that you have a golden and enviable destiny in Christ. When this sinks into your spirit, it will change your approach and perspective in life. Until you know it, you can not go for it.

The Holy Spirit is the Spirit of Faith (2 Cor. 4:13). He is a speaking Spirit. When He is at work in you, He will clear off all the barriers on your path. When He is in you, you speak from the point of authority, and the devil will obey you. This is because you are speaking the Word of the Lord.

Every blessing in redemption requires faith for delivery. All that the Father has given unto you can only be taken by faith (Mrk. 6:5). You can not take the blessings of the gospel without faith. With faith all things are

possible.

WHY DO WE NEED THE SPIRIT OF FAITH?

1. Faith has been under a great attack in this endtime. This is because it is the only thing that can quench the fiery darts of the enemy. The devil wants to water faith down in order to make people captive and make a prey of those who do not understand it (1 Tim. 4:1-2).

While common faith secures our common salvation, we are required to contend with "More than a Conqueror's Faith" that was delivered to the Saints. This is because in this endtime, the battle will get tougher, and it takes only strong faith to clear mountains.

UNDERSTANDING THE MINISTRY OF THE HOLY SPIRIT PART 2

You must come to the level of a "Far Above" mentality, and this is the faith that overcomes the world (Eph. 2:6-8; 1:20-21, Col. 1:13). You are a member of the family of God; you are seated far above, away from where the devil operates from. You must understand the hierarchy of power from God's perspective: We have God, the Son and the Holy Spirit, followed by Born Again believers, then the devil and his demons and last are those not Born Again. We need strong faith to stand against the wild storms of life (Eph. 4:27, Matt. 8:26-28, Eph. 6:10;16).

A strong faith is required to maintain a quality walk with God (Gen. 17:1). To walk with God, you must live free from sin (1 Jhn. 5:18). There is a place to walk with God where the devil can not touch you (Rom. 4:16-21). You must see yourself the way God sees you to become what He is saying.

The Spirit of Faith helps you to see the invisible. When you realise that the Comforter is with you, everything around you will change (2 Cor. 4:18). You will begin to see (Gen. 11:6). If you can see it, no devil can stop you from having it. You must operate from the

realm of the Spirit (Ecc. 9:4, Rom. 4:18-21, Isa. 8:20). When the light of God's word is shining in your heart, it will change your language. God's word is Spirit and life. Operating in the realm of faith is operating in the realm of the supernatural. When you move into the realm of the Spirit, you enter into the realm of the fourth dimension. Everything on earth is under the realm of the third dimension. The thin line between the natural and the supernatural begins with your thinking. You proceed further by speaking what you can see (Jhn. 11:39-43, Hab. 2:4, Gal. 3:11, Rom. 1:17).

The manifestation of the Spirit of Faith empowers us to believe all things. You take steps of faith for doors to open for you (Matt. 11:12). The steps of faith make you violent.

2. The Spirit of Faith allays all fears in the midst of the storm. You are at rest.

3. He speaks the unspeakable by speaking through you (Dan. 3:17-28).

4. The Spirit of Faith helps you to dare the undareable.

5. He secures the victory before the battle.

HOW TO RECEIVE THE SPIRIT OF FAITH

1. The Spirit of Faith is imparted principally through words- whether printed or spoken (Jhn. 6:63, Eze. 2:2).

When the Spirit of Faith enters into you, you move like one who is drunk. You begin to dare the undareable. You begin to say things that scare others.

2. We are required to identify a carrier, receive the person, the ministry of the carrier and honour the carrier in our hearts.

3. Crave for what he/she carries. Then you will see God at work in your life.

4. When you partake of the communion, the Spirit of Jesus enters into you. Jesus came to this world to show us how God expects us to live on the earth. Once you are Born Again, you have handed over your life to Him. He cannot mismanage your life, nor will He allow anyone to mismanage it.

God has declared this season as our Showers of Blessings season. You are not permitted to be barren. The holy communion that supplies the life of Jesus in you will overturn and overturn until it is your turn. You are partaking in God's power, riches, wisdom, strength, honour, glory and blessing (Rev. 5:12).

STRIKING TESTIMONIES

CELEBRATING GOD'S FAITHFULNESS

I thank God for all that He has done during my father's burial. It was successful. I come from a family where the burial ceremony is completed

over the course of eight days. I thank God because He did not put me to shame in those eight days. God helped me, and people stood by me. People showed me love. In addition, I thank God for journey mercies. We went and returned safely. No accident. Everything went well. Moreover, I thank

God for the gift of salvation for my wife making her convert to Christianity. I thank God for one of my mummies in this church, Dcns. Rebecca Olatunde; she tried for me a lot. Since 2016 that I joined this Commission, she has guided and protected me a lot. I thank God for everything that He has done for me in this church. God is indeed here!

SUPERNATURAL PROVISION

I joined the Commission in 2025. I have believed in God for a new phone. My phone has been giving me issues since

2024. I have been repairing it, but it keeps malfunctioning. I started trusting God that He would give me a new phone last year. I have been putting it in prayer, believing Him. During the 21 Days Prayer and Fasting, I also put that in my prayer point. I was thanking God.

I had faith that God would provide. Even when the phone finally packed up after about three weeks, I trusted God. God helped me.

Yesterday, I was able to get my new phone without owing anyone, to the glory of God.

STRIKING TESTIMONIES

DELIVERED FROM A GHASTLY CAR ACCIDENT

I joined the Commission in 1997. Since the increase in fuel prices, it has become very expensive for me because I drive a jeep. It also became difficult to sell the jeep because people no longer really go for V6 engines. However, God did it miraculously that I sold the jeep and bought another car that consumes less fuel. I know the new car was supposed to be more expensive, yet it is more economical than the jeep. God just did it miraculously. Again, while I was rejoicing that I had bought the new car, I did not know that the devil was planning to take my life with it. I was supposed to have a ghastly motor accident, but God helped me, and nothing happened to me. Only one of my tyres was damaged. I came out successfully. I give God all the glory. **BRO. KINGSLEY O.**

SUPERNATURAL PROMOTION

I joined the Commission in 1995. My testimony is about promotion to the rank of a director. Yesterday was my birthday. I came for a covenant hour of prayer, and I had an encounter with the Resident Pastor. Then I knew that I was going to have an extraordinary day. I went to work, and on my way back, as I was getting to my house, I got a call from the minister's office saying my letter was ready and I should come pick it up. Therefore, I turned around and started driving back to Area 11. When I got there, I saw the secretary, and she gave me the letter. I have been promoted from deputy director to a full director. I give God the glory. **DCN. GORDON PROMISE**

VISA APPROVAL VIA PROPHETIC WORD

I joined the Commission in 2000. My testimony is visa approval via prayer. I have been applying for a visa for family unification with my wife, who lives abroad. We have been applying, and it was taking time. However, when we got to the last stage, the embassy refused because my wife does not have enough months left on her residency card. I called the Resident Pastor, and he spoke a word and said, apply again. I now told my wife to go back to the foreign affairs office in the country where she lives, and she went back there. After too many back-and-forth, the visa was approved. I have come to return all glory to God. **BRO. CHUKWUMAAKABUEZE**

SUPERNATURAL SUPPLIES

I joined the Commission in 2025. I wedded in December 30 last year. I thank God for a successful marriage and for granting us a safe trip from Delta State to Abuja. In addition, I thank God for blessing my husband with a new job and for supernatural supply. Thank you, Jesus. **SIS. PRAISE APORIOENE**

HAVE YOU EVER ASKED JESUS TO COME INTO YOUR HEART?

If you are not **SAVED** | you are not **SAFE!**
