WHAT WISDOM IS THIS? PART 4

FOCUS FINANCIAL FORTUNE BANQUET

If you are Born Again, there is a deposit of God's divine wisdom inside you. You can not be confused. No matter what you are confronted with; the wisdom to handle it, to turn it around in your favour, is inside you. All you need to do is to believe it and keep stirring it until you locate the answer that you desire of the Lord.

We have been shown in the course of the month that we have four kinds of wisdom: common sense wisdom, intellectual wisdom, diabolical wisdom, and divine wisdom. However, the wisdom above them all is divine wisdom, which is from above. That's what you have access to. So, no matter from which angle anyone may be coming, you have what is above them all. Why? You have the wisdom of God in you. Within every child of God lies the deposit of the mind of Christ: "For who hath known the mind of the Lord, that he may instruct him? But we have the mind of Christ" (1 Cor. 2:16). You have the mind of Christ, that is, the mind that puts the whole world in place. Science is still on the discovery of all that God put in place by His wisdom. Now, you have access to this wisdom from above. This is the gift of God at redemption ordained for our profiting.

The wisdom is not just there to lie dormant. It is for your profiting. It is to put you above when you are confronted. It is to help you proffer a solution wherever you are found per time. You are the answer the whole world is waiting for. You are not the problem. You are the answer. You must understand this and start expecting the manifestation of the wisdom of God. This precious deposit has to be stirred to deliver according to 2 Tim. 1:6-7.

BIBLICAL WAYS OF STIRRING GOD'S WISDOM IN US

1. Through the Word of God. The Word of God is the rod that helps to stir God's wisdom deposit in us. So, you need to pay attention to the Word of God. You need to create the time to read God's Word. As individuals, as a family, study God's Word together. It will stir up the wisdom from above that is inside you.
2. Take time to meditate on God's Word. Many hear His Word, but few take time to meditate on it. You can not benefit from the Word of God until you go through that process of meditation. That's what makes your profiting appear to all. You must take your time to meditate on the Word. At that point, you are bringing the

Word from your mind to your heart, and it is a process. Until you bring the Word from your mind to your spirit, it can not produce what It says unto you. So, if you are going to maximize your benefit of God's Word, you must take time to meditate on His Word, envisioning the reality of what the scripture is painting to you. Then begin to live in the reality of it (1 Tim. 4:15). That's the missing link. That's why many hear God's Word, and they don't return with testimonies because they have not taken time to meditate on it.

3. Through prayer of inquiries. Ask the Lord. Inquire of Him. You saw that in the life of David again and again, asking the Lord what to do. Shall I pursue this trip or not? You have put in so much effort. It's time to watch out for the direction God wants you to take. It's time to wait on the Lord and inquire of Him, Lord, which way

to go. Without asking of the Lord, you will be going against the wind, and that is why things will slow down. That is the reason for stagnation. So, when things are no longer moving, it's time to stop and inquire of the Lord; what direction do you want me to take? What next do I need to drop? A certain thing you are doing now is the reason why things are not going forward. And the Word of God says, "Who is as blind as my servant? Seeing so many things but observe them not (Isa. 42:19). So, it is time for us to inquire of the Lord. You do this in prayer and fasting. It is not until when the church proclaims a fast that you fast. Create the time, step aside, and wait on God for the direction you need to take.

4. Through focus. Until you are focused in life, you can't become a focus. Too many things are demanding your attention, but you must give your attention to only the things that matter to your life. You are not called to be everywhere. Paul said, "This one thing I do" (Phil. 3:13). There is that one thing you need to focus on per time, and that's the only way to bring out the best of God in you. Stay on your assignment. Stay on God's calling. You don't have to please everyone. The one that matters in your life is the Almighty God because every other person will turn away from you when things are no longer going the way they desire. Therefore, befriend Him and stay focused (Matt. 6:33). Know the mind of God. Read books that will enlighten your heart - that will help your understanding, because it is good understanding that gives favour (Dan. 9:2). Certain things that you ought to have outgrown, but for lack of understanding, you are still on the same spot. So it's time to search out the scriptures; it's time to read and study books that will help your understanding in your area of interest.

5. Through Thanksgiving as a lifestyle. Thanksgiving must become a lifestyle. It is not what you do when something happens. It is what you keep doing again and again. When it turns to a lifestyle, the devil will no longer be able to hang around you because he can't hang around a thanksgiver. When you are singing His praise, you are poisoning the environment

for Satan to hang around. When you complain and murmur, you have created a conducive environment for Satan to stay on. God admonished us in His Word in 1 Cor. 10:10-11, He said, "Murmur ye not like them that murmur in the wilderness and they were destroyed by the destroyers". So, keep thanking Him, and for everything, give thanks.

FINANCIAL FORTUNE BANQUET

"But thou shalt remember the LORD thy God: for it is he that giveth thee power to get wealth, that he may establish his covenant which he sware unto thy fathers, as it is this day" (Deut. 8:18).

God designed it in a way to help us, to give us an edge over others when He asks you to give. The covenant is God's design to empower His people financially.

You must understand that financial fortune responds to the covenant. Until you find it, you will say it like others are saying it, but you won't see it. The day you locate it, it will come to you on its own accord (Job 22:21).

A covenant is an agreement between God and man on what to do so that God can respond to what you desire. Until you are committed to doing what He asked you to do, God will never move.

There are things that don't demand prayers. That is why Bishop David Oyedepo said to us that financial fortune doesn't answer to prayer and fasting. You will fast and pray to discover it. However, for you to see its reality, it responds only to your commitment to being a giver. And that is the summary of it all. You must become liberal. You must be willing to let go of what is in your hand in order for you to access what is in God's hand for you. Without it, you can be in Winners Chapel, which is known worldwide for abundance, for wealth, for prosperity; and never tastes it.

COVENANT KEYS TO A WORLD OF FINANCIAL FORTUNE

1. Engage tirelessly in covenant practice just as mentioned. That was the reason why Jesus Christ died. "For ye know the grace of our Lord Jesus Christ, that,

though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich" (2 Cor. 8:9). Then what do I need to do to become rich? It is to be committed to putting the covenant to practice. The key demand on this practice is giving (Phil. 4:15-19). There is what to do to commit God to supply all your needs.

2. Be spiritually minded. It takes those who are spiritually minded to hear His voice - you are attentive to what God is saying to you per time. If you are not spiritually minded, you can't hear what God is saying to you. It's a walk with God.

3. Maintain financial integrity. You can't be playing games and expect God to respond to you. You can't deceive people for too long. They will soon find you out. So be connected to the covenant and maintain financial integrity, and God will prove you. Situation and circumstances will come, and then God will stand to watch what you are going to do. Whether you will prove true or you deviate.

If you deviate, He will sanction you. If you stay true, He will show up right on time. Why? God will never disappoint anyone whose trust is in Him (Job 1:1-3). So, don't play a financial game. If you take what is not yours, it will create holes in your finances that will leak away everything. Whatever God has not given to you, you can not retain it.

4. Stay committed to being a blessing. That was the lifestyle of Abraham (Gen. 12:1-3, Pro. 11:24-25). Until something is flowing from you, nothing will flow to you. It's a law of the Spirit. You can't break it. If you break it, you pay for it. If you keep what is in your hand, then you will not be able to access what is in His hand. And what is in His hand is greater than what is in your hand. So, drop it as God is instructing you.

5. Seek continuous guidance in your endeavours. Keep your ears on the ground, listening to what God wants to say to you (Isa. 48:21). God wants to lead you to where the pasture is green. He wants to guide you to where your blessings are already waiting. Therefore, if you do whatever He's asking you to do, you will keep going forward.

STRIKING TESTIMONIES

GOD IS HERE IN THIS CHURCH

I joined the Commission in 2010. Two weeks ago, when I did not have any money on me, a friend invited me to a prayer mountain somewhere in Abuja. I followed him, contrary to the advice our man of God has been giving to us that we should not be going here and there.

Nevertheless, because I was almost frustrated, I followed him. When I got there, I saw the man who was ministering holding a handkerchief. Then, when I looked closely at the handkerchief he was holding, I discovered that it was a Living Faith Church mantle with Bishop David Oyedepo's picture on it.

Then something told me that the thing that this man is doing, you have it in your pocket. Why are you sitting here? I decided that I would not go there again. When I left, they invited me to come back on Sunday, which was the first Sunday last week. I refused to go. I came to church here. After church service on Monday this week and Tuesday, God gave me nothing less than N120, 000. I give Him praise.

SUPERNATURAL DELIVERANCE

I joined the Commission in 1992. God delivered me from death. Since Christmas Day, this is the first day I am stepping into this church. On Christmas Day, I was getting ready to go to church. After I finished bathing and coming out of the bathtub, I stepped down with one leg, but as I brought the second leg

down, I slipped and pulled the curtain. I became very dizzy and started spinning round and round. I realized I was about to fall and hit my head on a hard surface. I quickly used my hand to protect myself, but in the process, I broke one hand and twisted the other. I do not even know the moment I finally fell straight onto the floor. When I regained consciousness, I shouted for help.

My spiritual daughter, who had come to help me cook for Christmas, managed to lift me. However, the real testimony is this: for the past ten years, before I bath, I always put the Blood in my bathing water for covering and protection. I believe that was what God used to ensure I did not die that day. I have just come to say, "God, I thank You." If not for Him, there would have been no one to see me in 2026. All I kept shouting was, "Father, I am coming to your sanctuary, not the mortuary!" Thank You, Jesus. That was how I recovered.
